

# Physiotherapist - Oakville Kids Physio

---

## Physiotherapist

Kids Physio Group is looking for a FUN, driven physiotherapist to join their team in Oakville, Ontario. Whether you're an experienced physio who has always wanted to explore the pediatric field, a new grad keen to work with children or an experienced pediatric physiotherapist looking to work in a private practice setting and become a part of an incredible team we have a fantastic opportunity for you to join our team in Oakville.

## Who are we?

Kids Physio is a group of private, pediatric physiotherapy clinics in British Columbia, Ontario, and Nova Scotia. Established in 2006, Kids Physio Group (KPG) was the first physiotherapy clinic designed just for kids in BC, and now, 16 years and 20,000+ client visits later they continue to do exactly what was initially dreamed of: provide fun, world-class physiotherapy to children of all ages and abilities across Canada.

Kids Physio Group's Oakville location is part of the larger network of Kids Physio Group practices across Canada. It is this large network of leadership, experience, and community that truly makes us unique. Our kid & teen-friendly clinics allows younger clients to realize their physical capabilities to maximally participate in sport and life. Our clinics are bright, colourful, and full of perfectly tailored equipment for kids.

## Role Description

The physiotherapist is responsible for providing world-class physiotherapy care to help children 100% recover from injury and reach their full physical potential.

## Responsibilities Include:

- Assessing and treating children, following the vision of KPG
- Promoting pediatric physio in our community
- Being a strong team player: giving and receiving clinic and business mentorship, participating in team activities, and contributing to business development

## Who are you?

- You are passionate about the work we do at Kids Physio Group
- You understand that working with kids and their families is more than just physical therapy; it's mentoring, educating, inspiring, and being downright fun
- You don't shy away from new experiences and challenges
- You're a physiotherapist (great!), and you have experience in pediatrics (even better!)

# Physiotherapist - Oakville Kids Physio

No paediatric experience? No stress. At Kids Physio Group we're all about growth, both for our families and our staff. We're happy to help the right person discover a career in paediatrics that they never knew was a possibility.

## **Additional Job Duties and Expectations:**

- Perform physiotherapy services to clients in accordance with the College's practice standards and advisory statements and consistent with your training and expertise.
- Independently plan and provide treatment sessions without direct instruction or supervision.
  - grow caseload to include CCMI concussion management, pelvic floor physiotherapy, or other areas of interest \*optional
- Meet monthly with Clinical Manager to set goals and review metrics
- Education: expectation to use current research to guide clinical practice
- Consistently achieve **KPG's Values in Action**
- Embrace change and don't shy away from new challenges
- Understand that working with kids and their families is more than just physical therapy; it's mentoring, educating, inspiring, and having FUN

## **Requirements:**

- All physiotherapists must be registered with the Provincial College and have a keen interest in working with the pediatric population.

## **Compensation:**

- Competitive commission employment package.

## **Hours:**

- We are looking for both full-time *and* part-time positions, approx. 12-32 hrs/week

## **How to Apply:**

Please fill in the following Google Survey: <https://forms.gle/Krs4jSfiQfzVdSx5A>

## **Start Date:**

August 1st, 2023 (subject to change)
